Captain's Day

Inside... Captains, Course, Seniors, Juniors & More...

Club is going strong after 70 years

WELCOME to the July 2018 edition of the John O'Gaunt Magazine.

Competitions come thick and fast at this time of year and, with the glorious weather, the last month has been fabulous.

The Captains v Vice Captains Cup was well attended - mind you, I don't think Vice Captain Phil could have read the script because the result was changed and his team won this year!!

The Vice Captain's Cup followed 24 hours later with Philip Blackburn coming top of the field and taking the title.

The Summer Ball was a great evening. Whilst we were eating an excellent meal, we were entertained by a magician at the tables, followed by dancing to the band.

On behalf of both my wife and myself, I would like to thank everybody in attendance for making it such an amazing night.

Special thanks go to Sue Bassindale and the rest of the committee for the hard work they put in to ensure the success of this event.

June 24th marked the 70th Anniversary of John O'Gaunt Golf Club as we held a mixed foursomes competition to celebrate. Sir Malcolm Stewart officially opened the club on this date in 1948 and presented the Sir Malcolm Stewart Cup to the club.

This year, 34 pairs entered this competition which was followed by a meal and presentation of prizes and in true tradition, one red rose was presented by myself, as Club Captain, to the President Philip Farrow as payment of the peppercorn rent. We also had a lovely commemorative cake to enjoy (see photo).

This year's competition winners were Stephen Cherry and Charmaine Gillett with 41 points.

My Captain's Day was also a wonderful day - a full report and photos are in the centre pages.

On the subject of great days for charity, the entry forms are out for Captain's Charity Day on Tuesday, September 4th, so please enter a team. This is a fun day but the funds raised help many less fortunate than most.

For the wine connoisseurs amongst us, don't miss the very special raffle we have, the entry boards will be available in the bar shortly for you to pick your numbers.

A very kind club member has donated a bottle of Stellenbosch from the world famous Ernie Els vineyard. This is a commemorative release of the 100 major appearances between 1989-2017, which comes in its own presentation box bottle number 199 of 600 and is signed by Ernie.

The winner will be drawn on Captain's Charity Day. Do not miss out on this very fine prize.

If any members wish to make a donation for the auction or any prizes for the tombola, please contact the administration office.

Tap-Ins

MEMBERS can now access key club information via the intelligentgolf app, available for iPhone and Android. This will allow easy access to your competition data, upcoming games of golf and much more.

CALLUM Bareham came out on top in the Junior Gaunt Cup, thanks to a run of four net birdies in the last six holes.

PENELOPE Staveley-Smith and Susan Lee are the first pairing through to the semi-finals of the Ladies Challenge KO Cup.

THE Club would like to welcome new members James Mack (pictured left), Karen Gill, Ben Tuck, James Ream and John Dutka, who have joined John O'Gaunt recently. We hope you enjoy your time with us and we all look forward to playing golf with you.

SIMON Kensall kept the big numbers off his scorecard in the Andy Finnigan Memorial Trophy as the 14-handicapper triumphed by five strokes from three players after shooting a magnificent round of net 69.

ALBAN Macdonald and Margaret Budgen will take on Andy Shilton and Marion Cooper for a place in the Fletcher Cup KO Final.

DAVID Marvell coped best with the traditional early morning start in the Mid-Summer Madness Trophy as he grabbed the honours with 41 points.

THERE will be two Tuesday Bat Walks on August 7th and August 21st, while the club are organising some Badger Watches in August. Please check the noticeboards for more details.

SOPHIE Hillier and Dawn French represented Bedfordshire with distinction in County Ladies Golf Week at Woodbridge GC in Suffolk as the team finished fourth.

THERE are plenty of opportunities to advertise in the John O'Gaunt Golf Club Magazine. Please contact the Club Office to get your message across to the members, guests and visitors.

Sizzling June for ladies competitions

LADIES Captain Sue Colledge said: "The Charity Cup and Macmillan Spoon was won by my playing partner Paula Collin who enjoyed a great round of 39 points and achieved a handicap reduction down to 20. Well done Paula.

"The ladies donated £185 to the Macmillan Foundation from this event, thank you all for your generosity.

"In the Past Captains Salver, Audrey Nudds who inaugurated the competition, presented the Trophy to winner Hilary Pearmain, handed out all the other prizes and gave us a little talk, describing the history of the event and life in her time as Ladies Captain.

"The monthly medal was won by Yvette Bunker Dare with a net 70!!

"Conditions were clearly favourable for the stableford a couple of weeks later with some more great scores - none better than Carolyn Devaney, who won by one from Jane Cooper with 41 points.

"Congratulations have to go to Jane though, since her meteoric claim to fame continues, having started in 2016 with a 36 handicap, reaching 16 earlier this year, and now down to 14.

"Well done also to Judy Newberry and Kay Partridge, who both carded 37 points to receive handicap reductions.

"Our club teams have 'enjoyed' mixed results over the last few weeks.

"In the friendlies, we have a 100% record - winning matches against Chesfield at home and St Neots away, but our league results are not so good.

"We suffered losses at Dunstable Downs, Beadlow Manor and The Bedford, but we did pick up a good home win against Leighton Buzzard.

"We have difficulties with the League/Shield matches as often we are giving large numbers of shots, with our opposition teams fielding long handicap players.

"We are now trying to encourage our longer handicap ladies to represent John O'Gaunt in the Shield, a change from tradition, to give us a more even chance.

"The seniors team had a good win against Bedfordshire, while the scratch team narrowly lost to Dunstable Downs.

"The Malcom Stewart, our club birthday competition, on June 24th was celebrating its 70th birthday. It was won by Charmaine Gillett and Stephen Cherry way out in front with a magnificent 41 points as befitted the occasion.

"A lovely supper of ham, egg and chips was thoroughly enjoyed by everyone followed by birthday cake.

"Sadly this competition coincided with world cup football and was not as well supported, with six ladies having to be balloted out of the competition.

"The Ladies Australian Spoon Foursomes, which is a national competition for handicaps of 15 and over, is a new inclusion to the calendar. It was won by Caroline Lewis and Rose Wrench with 31 points. The pair will go on to represent John O'Gaunt.

"On June 30th (my birthday) we held the Ladies Silver Salver. It was won by Terry Brown with an unbelievable net 70 on the John O'Gaunt Course in blistering heat.

"Very well done to Terry, who achieved a two shot handicap reduction - now playing off 16, and also runner-up Marion Farrow (both pictured), who carded net 74.

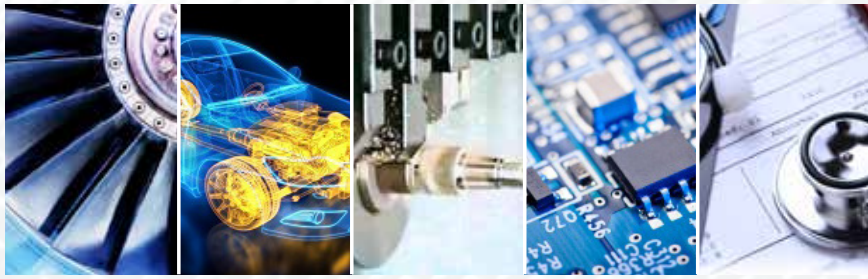

"July is now in full swing and I cannot believe my Captain's Day is upon us already, I invite all to play, with ladies occupying the John O'Gaunt Course for a team event on this occasion and the gentlemen a separate Fourball Betterball competition on the Carthagena. Please do come along for a day of fun and refreshments for all."

Best County Seniors are given stern test

JOHN O'Gaunt proudly hosted the 2018 Bedfordshire Seniors Championship this month as more than 80 golfers from across the county tested their skills over 18 holes.

Dunstable Downs member Phil Sutton faired best as he triumphed by three strokes from The Millbrook's Peter Mott with a three-over-par gross 74.

Home club member Derrick Remington was joint-third on 80, while Chris Walker (pictured right) collected the 60-64 age prize after finding his consistency over the back nine.

In the County Mid Handicap League, our men's team are on course to qualify for the knockout stages after a series of good results.

Having played seven of their eight matches, the side currently sit at the top the pool, with five victories and just two defeats.

The remaining match, which should have been played on Saturday, July 7th but was postponed due to a 'football match', has been re-arranged for Saturday, August 11th at the Bedfordshire GC.

How to play in the heat? Pro Shop tips

CLUB pro Lee Scarbrow said: "The hot weather has been fantastic, but it has made hitting tee shots straight so important, as the ball is running such a long way.

"If you are struggling with the Driver, why not try a Driving Iron? In this weather, keeping the ball in play is a bit easier with these and we have some you can demo on the course, pop in the shop and give them a try.

"If you are finding chipping and pitching tough in the hot weather with the hard fairways, you may be using too much bounce on your wedge, so pop in and try a wedge with low bounce, this will be easier in the hard conditions. We have both the SM7 wedges from Vokey, plus the Ping glide wedges available to try.

"Please keep hydrated in this weather - start sipping water or other drinks from the early part of your round, do not wait until you feel thirsty as this is too late and you are already starting to dehydrate.

"We will be running our Summer Junior Camps. With all sorts of different dates available, call the Pro Shop to book a place.

"As well as the Junior Camps, we will be running Camps for the Pee Wee age group so call the Shop for details. The Monday Night Club is proving popular and we are always looking for more juniors to join in.

"We will also be running classes for seniors and ladies, call the Shop for details.

"Footjoe have introduced a new shoe called ARC, they are like the ever popular Pro SL'S, just a little easier on the pocket without losing any of the comfort!"

Greenkeepers are doing a fine job in testing conditions

COURSE and Golf Committee Chairman Pauline Aubigne said: "Course Manager, Nigel, and his team are doing an amazing job keeping our courses in good condition, albeit very parched.

"As you are probably aware, we do have strict restrictions on how much water we can put on the courses each day and that is mainly used for the greens.

"The aerators have now been installed on the pond and our resident ducks (pictured below inset) are enjoying their new home. The aerators should keep the water oxygenated and help to keep any algae away - they also look great. A big thank you to Phil Farrow our President for donating fish for the pond.

"There are a number of issues that Course and Golf will be looking at over the next couple of months, in particular the entry rules for our competitions going forward to 2019 and also the changes that CONGU have put in place for handicaps.

"With a lot of competitions and external groups visiting our club, there is a lot of course traffic at this time. Please make sure that you check the website/notice boards for course closures.

"Whilst our courses do need some rain, enjoy this amazing weather and stay safe in the sun."

Scorching day for skipper Stuart

STUART Gardner had a memorable Captain's Day as a large field of players competed on both courses in glorious weather conditions.

With the Captain's Buggy being decorated in the theme of field hockey umpire, something from his past, the skipper says the day was a great success.

Gardner (pictured) said: "My Captain's Day was blessed with scorching sunshine!

"My guests enjoyed a hearty breakfast, with some fizz to help things along, while the committee surpassed themselves with a fantastically decorated buggy.

"A very good sized field played in a very hot temperature, the golf was good with some great scores in testing conditions.

"The usual fun and antics were had with the Captain's Drive In. With a final drive that was on the fairway, well before visiting the rough, Dave Brown took the money, and then kindly donated to my Captain's Charity. Thank you Dave.

"Overall it was a special day with many memories, so a big thank you to all concerned and some more funds for the Captain's charities. Many, many thanks to all for making my day so special."

The day witnessed some fantastic winning scores on the two 18-hole courses as prizes were handed out in a variety of pairs competitions.

Richard Morris and Philip Hoare grabbed the honours in the main event with a tally of 45 points on John O'Gaunt, while father and son Alasdair Large and Cameron Large smashed 49 on Carthageana.

Christine Ellis and Jackie Lansdown (46) and Julie Remington and Derrick Remington (47) were successful in the ladies and mixed competitions respectively, while Rachel George and Matthew George (45) won the junior and adult prize.

I'm thinking about going back to work... for a rest!

SENIORS Captain Jim Kerr (pictured right) said: "I can't believe we are into July already - can someone please slow time down?"

"I thought we were supposed to be retired with loads of time on our hands. I have never been so busy - I am thinking of going back to work for a rest!"

"It has been a month of ups and downs. On the upside, the weather - although I hate to say it, it is too darn hot!"

"The big downer has been our mate Algy who got an infection that turned nasty. He has got over the operations and is now on the road to recovery and hoping to be back on the course in a few months."

"So hurry up Algy, we need your decent camera for the photos. Fred has got a Kodak Brownie and it doesn't show my better side."

"We have had an indifferent run of match results this last month. We played three matches - won one, halved one and lost one, so not good but, like the school report says, there is room for improvement."

"We only had the one competition, The Championship Trophy, and the result was a victory for Harry Wakefield with a net 66, followed by Mike Marshall with 67 on countback from Ray Smart."

"To rub salt into the wound, Peter Wade also lost out on countback, but as a reward he had his handicap cut by 0.6."

"I would like to thank all you seniors for the support you have given my charity M.I.N.D. I will sign off now, so keep swinging."

Juniors represent our club at home and away

JUNIOR Captain Daniel Haugh said: "The juniors have had a very busy few weeks with competitions and matches.

"We started off with the County Inter Club team competition as John O'Gaunt entered two teams at Mount Pleasant GC on June 9th.

"The side of Rachel George, Bradley Williams and myself came a very credible second out of nine teams - just three points behind Beadlow Manor.

"I also had my handicap cut following a four-under-par score.

"Just 24 hours later, it was John O'Gaunt's turn to host a competition when we held the Patrons Trophy, as we had teams from Beadlow Manor and Moor Park competing against us.

"Despite some really good golf from our teams, we were again outgunned by Beadlow's A team who were defending the trophy.

"Our team of Euan Bruce, Caitlin Thomas and Joe Clark finished just behind Moor Park in third. The 11-hole Rookies Trophy was won by William Gilbert.

"We've had lots of other junior matches at home and away. In the VER League, our second round matches were against West Herts.

"We lost the home leg, so needed a good win away to turn it around. Unfortunately, despite some close matches, our team (pictured below) came away second best.

"In the Tavistock Trophy, we won at The Bedford and South Beds, but lost points to Leighton Buzzard at home.

"With just one more match in the round robin format away to Leighton Buzzard at the end of the month, these results should see us through to the finals.

"Due to some of our juniors being in our away match team in the Tavistock Trophy, there were not so many participants in Captain's Day on July 1st, but those that were there certainly did well.

"On the Carthage, both Rachel George and Alasdair Large played with their dads. Rachel and Matt finished with a competitive score of 45 points, but on top of the list were Alasdair and Cameron with an amazing tally of 49 points.

"There is a lot coming up for the juniors in the summer holidays so we wish everyone well in the competitions at home, and in County and Schools Championships."

Good weather brings a collection of firsts

STEVE Thompson, who is 2018 Conservation Greenkeeper of the Year, said: "For the second year in a row two pairs of Kestrels have bred successfully at the club in our two boxes.

"The box on John O'Gaunt had four chicks and the box on Carthagena had three, all were ringed by myself (pictured right) and two other licensed ringers on June 19th.

"Hopefully all the chicks should fledge as there seems to be plenty of food around for them to eat.

"The other small boxes for Blue Tits and Great Tits were checked - they were about one or two weeks later than last year. I ringed my last two broods of Blue and Great Tits in early June - they were about eight days old and have since all fledged. Out of the ones I did get to I had over 200 chicks. My best guess would be around 400 altogether.

"The recent hot weather has seen an increase in insect activity, most noticeable at the new pond. It has been amazing for Dragonflies with yet another new species for the club - a Black Tailed Skimmer (pictured below), two males have been seen on several different occasions flying over the pond.

"On June 10th, at least 10 Common Blue Damselflies and two copulating pairs were seen. The Emperor Dragonfly has been seen along

the brook a few times but also on the pond where, for the first time, two were spotted.

"Banded Demoiselles have been seen all along the brook and amongst some of the long rough areas and a Common Darter was seen by the tractor sheds and a possible Brown Hawker by the 11th fairway John O'Gaunt - both firsts this year.

"Not to be outdone, the Moths have been excellent too with two new species.

"I ran the Moth trap over the weekend of June 9th-10th and managed to catch an Eyed Hawk Moth (pictured right)

and on June 21st whilst with an ecologist surveying our wildflower areas we found a Chimney Sweeper Moth which is quite scarce in Bedfordshire.

"Other Moths seen recently during the trapping sessions include the Privet Hawk Moth, which is the largest UK species, Swallowtail, Lackey, Large Elephant, Rosy Footman and many others. The best catch was when we caught nearly 100 moths of over 40 species. Also, while out on that survey, we saw a Cuckoo Bumble Bee, yet another new species for the club.

"Butterflies have been putting in a good showing - seven Speckled Woods by the 16th tee on Carthagena, five Meadow Browns by the seventh tee on John O'Gaunt, and a Large Skipper in long grass near the third green on John O'Gaunt.

"A keen-eyed member spotted the first Marbled White of the year on June 24th by the eighth fairway. Other species seen recently include Large White, Small White, Ringlet, Comma, Red Admiral and Small Tortoiseshell.

"Please keep a look out for all Butterfly species over the summer especially the Purple Hairstreak which is often seen on Carthagena near the 16th tee amongst the Oaks.

"The Grey Wagtail has been seen quite a lot recently, particularly around the pond and near the 13th green. After only a few records of this species, it now seems to be a regular visitor.

"Other birds seen recently: Kingfisher, Skylark (singing only), Whitethroat, two Swallows over the pond on the 10th and a cuckoo was heard calling 9.35pm, a Red Kite was seen flying low over the 18th fairway John O'Gaunt. Young Blue and Great Tits stayed around in the trees near the boxes for a while into early June and could often be heard noisily calling to their parents for more food.

"Please continue to look out for all forms of wildlife whilst out on the course, you never know what you might see."
