# Please support my Captain's Charity Day

WELCOME to the August 2018 edition of the John O'Gaunt Magazine.

As you all know, it is Captain's Charity Day on Tuesday, September 4th and I would ask you once again for your support, and please enter a team if not already done so.

It's a great day of golf, followed by a two-course carvery meal and Charity Auction, and with a tombola running all day, my charities, Diabetes UK & Letchworth Garden Hospice should really benefit from your support.

Looking back at last month, with more hot and settled weather, July involved another full programme of golf - I've said it before, but at this time of year the competitions come thick and fast!

The Andy Finnegan Trophy was contested by a large field and eventually Simon Kensal came out on top as the winner.

One of the most prestigious club competitions in the calendar is the Club and Junior Championships, which were held over two days on the weekend of July 14th and 15th. Details of the winners, and also the Ladies Club Championship, which took place in early August are on page nine.

The Club played the Past Captains on a warm Friday afternoon as a great enjoyable afternoon of not too serious golf took place.

It was followed by a light tea in the Burgoyne Suite - the result went narrowly to the Past Captains.

The Ladies section had several competitions including Ladies Captain's Day, which was a great success, with bacon rolls, followed by the presentation of her wonderfully decorated Buggy for the day, a sailing theme. I am sure the Ladies Captain enjoyed her day as much as I enjoyed mine.

The last trophy of July was the Coronation Vase, supported by a large field, with the last one teeing off in the mid-afternoon.

There were some very good scores recorded in testing conditions, of a dry course and high swirling winds. The winners were Simon Hutchins and Paul Sennett with a tremendous score of 46 points.

As I am writing this as the heavens have opened and the first meaningful amounts of rain for many weeks are falling on a parched golf course, which is much needed, and hopefully we may see some green grass appearing on the fairways soon!!!

A big thank you for all the entrants in various competitions throughout July and congratulations to all of the winners.

Stuart Gardner  
Captain 2018

## Tap-Ins

**THREE birdies in the last four holes helped Lawrence Jefferys grab second place in the Bedfordshire Under-14 Boys Championships as he shot a six-over-par gross score of 80 at The Millbrook.**

DEPUTY head chef Amy White is leaving John O'Gaunt Golf Club at the end of August. Everyone wishes her all the best for the future.

**SUE Colledge and Colin Smith, Anita Isaacson and Mark Brookman and Club Captain Stuart Gardner and wife Sandra will represent John O'Gaunt in the Letchworth Silver Salver final at Letchworth in September.**

SOME people have been unable to enter competitions online as they have insufficient funds on the swipe cards. These can be topped up from home via the My Golf > My Account Feature. Please can members if they wish to be contacted un-tick the Ex-Directory button on their My Golf > Preferences Page.

**CLIFF Knowlden and Steven Nunn won the Senior Men's Open after posting the leading betterball tally of 44 points.**

A RUN of six consecutive net birdies around the turn on John O'Gaunt from Matthew Bircham went a long way to securing a second division victory in the July Medal as he carded net 68. Richard McKay (70) and Kevin Kiernan (73) took the other two divisions.

**PAUL Sennett and Simon Hutchins took home the Coronation Vase, whilst there will be a playoff for the Peerage Bowl as Philip Hoare and Richard Morris take on Darren Redman and Robert Dobson.**

MEMBERS can access key club information via the intelligentgolf app, available for iPhone and Android. This will allow easy access to your competition data, upcoming games of golf and much more.

**EIGHT net birdies were on the winning scorecard of Terence Humberstone in the July Midweek Stableford as he grabbed first prize with 42 points.**

THERE are plenty of opportunities to advertise in the John O'Gaunt Golf Club Magazine. Please contact the Club Office to get your message across to the members, guests and visitors.

# A day I will always remember, it sailed by!

LADIES Captain Sue Colledge said: "July - what a month!! A sizzling start as the weather continued to be sultry and our fairways resembling the Sahara desert in colour.

"All credit to Nigel and his team for maintaining our courses as playable, whilst we all learn new ways of keeping our ball going in the right direction.

"Certainly some ladies have mastered this as we have some fantastic scores achieved with numerous handicap reductions, particularly in the July Medal.

"Winner Charmaine Gillett, Pauline Aubigne, Tanya Wilmott, Adrienne Massey, Karen Beagent, Hilary Pearmain and Nikki Hunter all had terrific scores.

"Very well done to these ladies for demonstrating why we play qualifying comps in order to achieve a true handicap of our ability. No bandits here!!

"In The Swinden Cup, Lindsay Derry and Nikki Hunter won with 39 points. This was followed by lunch and a raffle in aid of the County Girls.

"Gill Smith kindly donated some handcrafted cushions and Adrienne Massey produced a beautiful flower arrangement for prizes, while £140 was raised. Thank you to the ladies present.

"Sadly only four mixed pairs took part in The Letchworth Silver Salver qualifier. Our club pay for entry and hospitality on the day and it is a very enjoyable occasion, so I hope next year a few more ladies from the silver division will be encouraged to join in and find some suitable men to partner them!

"Sue Colledge and Marie Bayes played in the Beds County Senior Ladies team against Suffolk at Wyboston, while Dawn French, Julia Cottenden and Sandra Gardner against Norfolk at Hunstanton.

"Both matches finished in Bedfordshire wins. It is a feather in our caps at JOG ladies to have such a great representation in these County games.

"My Ladies Captain's Day arrived on July 22nd - I thought this day would never come and was overwhelmed by the support and kindness everyone showed me as 84 ladies and 44 gentlemen took part in separate competitions, an excellent response in numbers.

"My buggy (pictured right) was magnificent and so appropriate for me as I passionately love the sea and sailing.

"The winners on the day were Marion Cooper, Pauline Fitzpatrick, Susan Hankins and Lindsay Derry in the ladies event from runners-up

Sandra Gardner, Mary Warmoth, Susan Garrard and Pauline Aubigne, with Adrienne Massey, Pat Harrington, Carolyn Gobey and Jean Peacock in third position.

"Paul Jeeves and Mark Gilbert won the men's competition from Derek Remington and Danny Bryan, Richard Harris had the longest drive, while Mark Gilbert, Caroline Lewis and Tracie Allan collected the nearest the pin prizes.

"The Ladies Captain's drive estimate was won by Penny Staveley Smith, while the Most Improved Pair, which is a fun prize, went to Bob Isaacson and Colin Smith.

"Thank you for a glorious day which I thoroughly enjoyed and was made special by all of you.

"Invitation Day capped a great month as we entertained guests from 17 different clubs and enjoyed a very tasty meal - my thanks to Marcus and Dawn for our catering.

"Played again in overwhelming heat, Terry Brown and her guest Paula Parker were victorious with 43 points.

"During this incredible heat wave, I have been amazed at how we have all coped without any casualties on the course and have maintained all of our competitions fully.

"Well done to everyone for looking after yourselves and keeping up the internal hydration whilst all around was parched.

"We now look forward to August with our prayers for some rain to maintain and restore our courses."

# Remember, it's meant to be fun, so stay happy

SENIORS Captain Jim Kerr (pictured right) said: "August is on us with no let up on the weather front. Remember these hot days as we will pay the price for all this sunshine.

"On behalf of the Seniors, I would like to thank Nigel and his team for presenting the courses in such good playing condition considering the prolonged dry spell.

"I am delighted to report that Algy is back home and hope to see him at the clubhouse soon.

"In the Dunstable Downs Downsman Inter-Club Competition, our team of Pete Jarman, Brian Bullen and Nick Seeley (pictured below with two of the event organisers) came away with the trophy with 117 points.

"We beat our old adversary Letchworth by three. So well done lads.

"We have had three competitions since my last report. The Reg Batson Trophy was won by Peter Evans on 68 points, with Steve Cooper (67) and Keith Fuller (65) next.

"The Annual Stapleford Trophy was claimed by Bill Conway as he beat Allan Curtis on countback after both players finished one ahead of Jim McIlwaine with a tally of 39 points.

"The Members and Guest Day was a great success thanks to the meticulous attention to detail from our organiser Bill Walker. I thoroughly enjoyed this competition as the atmosphere was great, and the feedback from our guests was also great.

"Allan Fowler and guest Dennis Brown were the winning pair with 45 points. Neil Pinnington and Doug Pinnington (42) were second, while Kevin Donnelly and guest Phil Long (40) finished third.

"We had six skill prizes for nearest the pin and longest drive and my charity made a whopping £284. So well done to all who took part in making this a great day.

"Seniors matches have been a mixed bag, we have played two matches - lost one, won one. Our loss was a 6-2 defeat to our bogey club Bourne - we have still to beat this club home or away. Some put it down to handicap manipulation but I think they are just better than us at playing in matches.

"In our defence, when you look at the results we took several games to the final putt, so this gives me heart for next year. Our win was against Gog Magog as we recorded a 5½-2½ victory."

# Runners-up prizes keep coming for in-form Caitlin

JUNIOR Organiser Sue Lee said: "A field of 18 juniors and past juniors of John O'Gaunt took part in the Andy Finnigan Memorial Trophy.

"The winner of this special competition was Simon Kensall with a net score of 69 as Caitlin Thomas was runner-up on 74.

"The Burgoyne Cup was played on July 27th in extreme heat but that didn't deter Vice Captain Joe Clark recording a very creditable +1 score in the Bogey format. Caitlin Thomas (pictured right with Club Captain Stuart Gardner) was second on level.

"Two days later, in totally different conditions, we had a team of three representing JOG at Luton Hoo in a Bridgestone-sponsored team event.

"Our team of Lawrence Jeffreys, Caitlin Thomas and Joe Clark battled hard against high winds and torrential rain but sadly missed out on the prizes. Mill Green were the winners.

"On the same day we also had a team playing away at Leighton Buzzard in the Tavistock Trophy.

"Due to late pull outs, we had just four players from the team of six, Callum and Josh Bareham, Rachel George and James Stocks so again we didn't come away with the win.

"Fortunately we had already qualified for the final, which will be played at The Bedfordshire on August 24th, when we will compete against Beadlow Manor, Leighton Buzzard and Aspley Guise.

"John O'Gaunt hosted our Junior Open on July 30th with an entry of 23 juniors with 14 clubs represented. Five of our juniors took part.

"The overall gross winners were Ellie Darnell from Wellingborough and, for the boys, Will Glenister from The Millbrook.

"Home club members Lawrence Jeffreys and Caitlin Thomas both finished runners-up in their respective gross competition. Ixie Akpan won the girls net prize with a score of 68.

"Caitlin's run of coming second continued at the Bedfordshire Girls Championships where, despite recording a five over par gross score at Aylesbury Vale, she missed out again!

"Jess Sporie however did win the Net Championship with an amazing nine-under-par total. Both girls had their handicaps cut as Caitlin is now off eight with Jess competing off 15.

"The Tharby Shield, which is a greensomes pairs competition with the ladies, was played in early August.

"We had 12 pairs taking part on the Carthagea and there were some excellent scores on the day.

"The leading duo, with a score of 44 points, were Chris Billington and Joe Clark (pictured left) as they finished clear of runners-up Charmaine Gillett and Owen Williams.

"We have several competitions coming up in the school holidays but the important date for the diaries is August 22nd for Daniel's Captains Day where I'm sure he will have lots of support for his special day before handing over the reins to Joe Clark."

# Glide around the course with new Ping wedges

CLUB pro Lee Scarbrow said: "Ping have introduced some new forged wedges (pictured below) that look great and they feel so good when playing pitch shots.

"Being forged the feel is so much softer and they impart so much more control on the ball. As these are a premium product they come at a premium price but, for the serious golfer, well worth the money.

"Motocaddy have now launched a new M Series lithium trolley (pictured below) which folds smaller than the original one. We have the new range in stock if you would like to see one.

"From next month, would you believe our autumn/ winter stock will be delivered?!

"Hopefully the good weather will be around for a few more weeks but you may need an extra layer early morning?"

"New stock means that we will be having a clothing sale so pop in and find yourself a bargain.

"From myself, Sue and the Boys, Happy Golfing."

# Club Championship success for Dobson

ROBERT Dobson was crowned 2018 Club Champion after winning by two strokes from Greg Osborne and Paul Wharton, who finished second and third respectively.

In a tournament that featured a large field over two days, the cut was made after Saturday's play on Carthagena as 45 players qualified for the final round 24 hours later on the main course.

Despite trailing overnight leaders Osborne and Wharton by three shots after posting a two-over-par score of 71, Dobson bagged four birdies in a 73 on the second day to grab the title.

Osborne regained his composure after a slow start on Sunday as he secured the runners-up prize on countback from Wharton, who struggled to find the birdies.

Club Captain Stuart Gardner, who handed over the trophies to the winners (pictured below) said: "Congratulations go to the new Club Champion, Robson Dobson.

"He produced a great display of golf over the two days, so well done to him.

"Cameron Large had the best net score after shooting two scores of net 68, while the Junior Champion was Michael Wright.

"The Championships were followed by a BBQ, which was enjoyed by all. A big thank you to our sponsors Carl Billings for all the burgers and sausages and Gunn's Bakery for the bread."

The Ladies Club Championship, which took place a few weeks later, was claimed by Laura Ann Collin with a superb two-round total of 145.

Leading by three after shooting 72 on Carthagena in the morning, the scratch golfer surged clear with six birdies, including four in the last seven holes, in a second round 73 on John O'Gaunt.

Sophie Hillier (155) grabbed second by one from young Caitlin Thomas, who led the net scoring on 140.

# Clubhouse Development - Latest Update

PETER Wade, Chairman Clubhouse Working Group, said: "We are pleased to inform members that full planning consent has now been received from Central Bedfordshire for the detailed plans that were submitted.

"These covered the works that had been highlighted on the scrolling display in the Clubhouse foyer during the early part of the summer:

- An extension in keeping with the main building and featuring a slightly larger footprint than the conservatory that it would replace.
- A terrace raised to the house level and extended to accommodate more guests.
- A change to the existing entrance to make it friendly to all members and guests.
- The addition of a storage facility to the Burgoyne suite, enabling the men's toilets to be reinstated and the ladies toilets to be refurbished.

"In addition to these works, there is also the bar refurbishments and fabric repair schedules, but these elements did not require planning permission.

"Since then, the House Sub-Committee has been working with our architects, Vincent and Goring Limited, to establish the best way forward now that planning consent has been received.

"We have looked at various alternatives, including 'design and build' and traditional 'architect-led'.

"We have concluded that our needs would be best suited by using an approach that uses the 'architect-led' methodology, but that is modified to make the architect the lead consultant.

"They will then be responsible for selection of other professionals, preparation of tender documents, advice on constructor selection and management of the project through to completion. This approach has now been endorsed by the full General Committee.

"Based upon that we have now commenced a due diligence exercise on the selection of the architect to partner with us for the remainder of the project.

"Naturally, Vincent and Goring will be included, but we will also be seeking quotations from other architectural practices.

"Our original hope was that we would be able to start on the works in September 2018. This now looks unlikely to be achieved.

"As part of our planning, we will be looking at disruption mitigation strategies that might enable us to commence work during the latter part of this year or early next year.

"However, if these are unable to support a substantial continuation of the Club's business and activities, it may be necessary to defer commencement to September 2019.

"Your Committee would like to thank you all for your support to get us to this stage and we now look forward to delivering the benefits we have deliberated on for so long."

# Green staff are looking after your courses

COURSE and Golf Committee Chairman Pauline Aubigne said: "The hot dry weather has continued much longer than anyone anticipated with only a small amount of rain.

"Once again the green staff are doing everything they can to look after the courses.

"I would like to thank club member David Martin for sending me the photograph (right and front cover).

"It was taken by a friend of his from a microlight flying over the Carthage course. I think you will agree it is amazing!

"August is a very busy month for not only competitions but also visiting societies.

"So please remember to check the website and notice boards for tee closures."

# By far the best year for several species

STEVE Thompson, who is 2018 Conservation Greenkeeper of the Year, said: "The last few months has seen prolonged hot weather with hardly any rain.

"Whilst this might not be ideal for keeping the golf course very green it has proved to be one of the best years at John O'Gaunt for insects, and not just butterflies or dragonflies.

"In amongst the long grass of the uncut rough areas around the course could be found several insects that you might hear, but probably wouldn't see.

"Meadow Grasshopper, Speckled Bush Cricket (pictured right) and Dark Bush Cricket - one found in the greenkeepers cottage.

"The long dry grass has been a perfect home for them during this hot weather.

"One butterfly that I had not previously seen at the golf club but had been reported to me many years ago on Carthagenia and again recently is The White Letter Hairstreak. It is often difficult to identify as it usually flies quite high in the treetops but on July 22nd I saw one on the ninth tee on JOG, I even got it to rest on my finger (pictured).

"This is by far the best year for this species at the club with a similar species, the Purple Hairstreak, doing very well and seen on both sides as well.

"There has been several sightings of Common Blue on JOG and lots of Small White, particularly on Purple Loostrife behind the 13th green on JOG.

"Many other butterflies are also doing well here including Comma, Red Admiral, Speckled Wood, Large White, Gatekeeper, Meadow Brown and three Small Copper, which is the most I have seen together at the club.

"The Brook has been the best place to catch up with Dragonflies with the rather eye catching Banded Demoiselle being the most numerous, often seen in large groups of 12 or more on a hot summer's day.

"This is our best year for sightings of Emperor Dragonfly with numerous records from the brook and sightings on the new pond.

"Migrant Hawks started to appear in mid-July and can be seen gathering in large groups at the edges of woodland and seen quartering over some of the fairways.

"Again, our best year for sightings of Brown Hawker (a large brown dragonfly) and a freshly emerged female Common Darter was seen on the practice area on July 19th.

"And the last of the insects in this article, Moths. I have been running the moth trap on a few occasions - catching over 100 moths a few times.

"On July 25th, I ran a moth trapping session from 8.15pm till the early hours with some people from the local moth group. We ran five traps on JOG near the 13th green/14th tee, catching about 150+ moths of about 70 species with some still to identify.

"The best of the night was the White Spotted Pinion which is a rare moth that feeds on elm that I usually only see on Carthagenia so I was extremely happy to find it on this part of the course.

"If anyone would like a list of the moths we caught on the night please get in touch. We did have one new species for the course Iron Prominent.

"Birds seen recently: Kingfisher, Black headed Gulls on the ninth fairway, Swallow (over the pond), Jays, a family of six Mistle Thrushes on the 15th fairway JOG, Common Buzzard, Kestrel, Green Woodpecker and baby Moorhens in the brook.

"To date there has been one Bat Walk, with another to come on August 21st.

"Please a keep a look out for any Butterflies and Dragonflies as the weather starts to cool.

"And keep a check on the noticeboard and club emails for details of forthcoming Badger Watches and Moth Nights in September and possibly October."
