# Clubhouse progress as Club starts new era

It is a pleasure to be introducing Gordon MacLeod in this month's edition of the Club Magazine. I'm sure you've already made his acquaintance. If not, there will be plenty of opportunities to introduce yourself and join the long list of names for Gordon to remember! Please join me in welcoming Gordon to the club as our new General Manager.

Questions have been asked, and justifiably so, regarding the proposed clubhouse refurbishment. This project has the full attention of a dedicated team at the club, working hard on our behalf to make a meaningful and affordable proposal.

The proposed building works have been in place for a while now, and include replacing the patio, building a purpose-built extension to replace the conservatory and providing disabled access at the front entrance. We now also have a proposal in place for the interior design, which will make our clubhouse a more welcoming and comfortable place for us to enjoy.

Gathering the costs, understanding our bank's changing attitudes to finance and balancing other priorities at the club is the more complex part of the equation.

We're getting there, and please be assured that the next milestone is to present this proposal at an open meeting, so we all have a say in the future development of our club. Thank you for your ongoing patience.

Please spare a thought for the poor club buggy which is now taking a well-earned break, having been ceremoniously 'abused' at each of our Captain's Days over the summer.

Transforming Dawn's buggy into a mobile gin bar was truly inspirational! Well done ladies, and I look forward to reading the reports from all our sections in this month's edition.

Congratulations once again to everybody featuring on the leaderboards, with a special mention this month to Laura Collin for successfully defending her title of Ladies' Club Champion.

The season is going from strength to strength and I look forward to sharing the occasional wave across the course as we continue to enjoy our busy schedules.

We share fond memories of Brian Tansley who sadly passed away after 47 years of membership at John O'Gaunt. Brian was a highly respected member of the club. He served as Club Captain in 1991-92 and Club President from 2000 to 2003. We reflect on happy times spent in Brian's company, and our thoughts are with his wife Sylvia and their family.

Enjoy the rest of your summer,  
Phil Haddow - Captain 2019

# Your New General Manager, Gordon MacLeod

FOLLOWING the departure of Simon Davis, who was the second longest serving General Manager in John O'Gaunt's history having held the post for over a decade, the Golf Club appointed Gordon MacLeod over the summer.

After spending the last three years in a similar role at St. Ives (Hunts) Golf Club, where the Cambridgeshire Club developed an excellent reputation as one of the best new courses in the region, MacLeod (pictured below) says it needed to be something extra special for him to even contemplate leaving for pastures new.

He admitted: "It was with a real heavy heart that I left St. Ives (Hunts) Golf Club.

"After being a member of the club from 2011 to being made manager in 2016, they made me exceptionally welcome.

"They gave me a start in the golf industry, and supported my approach throughout the three years.

"It had to be something special to drag me away from that environment, where I felt comfortable and excited about the future - John O'Gaunt is absolutely that.

"John O'Gaunt Golf Club is clearly recognised as one of the premier Clubs in this part of the country, and I emphasise the word 'Club' as opposed to 'Course' - although there are obviously two exceptional golf courses here!

"In my previous formal engagements and conversations with colleagues and members of John O'Gaunt, there was the overwhelming sense of Club, culture and community.

"This is something really exciting and is something I'm looking forward to being a part of, and contributing to in a positive way going forward.

"It's difficult to find, in the modern world, the club ethos but it appears to be at John O'Gaunt in buckets.

"The key is to get the balance between running a steady ship and identifying opportunities and threats and adjust accordingly over a period of time. I have experience of doing this. I'm not one for a big bang change - I will look to make quiet changes as and when they are needed going forward.

"I would hope by Christmas that I will be able to present a plan to the club officials about a strategy to move forward.

"My door is always open. It's the member's club so I am desperate to learn from them - they are the experts. My role is to implement what they want for the future wellbeing of their golf club.

"Myself and the rest of the staff recognise what John O'Gaunt Golf Club is, and we are here to work alongside the members. I want everyone - staff and members - to have a smile on their face when they come to John O'Gaunt."

# Seniors claim Downsmen Inter-Club Trophy win

SENIORS Captain Dave Gauge said: "It has been a mixed time since my last article. There have been good and enjoyable times, namely Lady Captain Dawn's Captain's Day, which was very enjoyable, and I was glad to participate even without success.

"Two days later was my Captain's Day where I was joined by Club Captain Phil and Vice-Captain Peter together with Chris from MS-UK. Phil and I managed to defeat Bill and Peter in the resurrected Captain v Vice-Captains match.

"We had a great day as the Kethro Tray was won by Brian Hankin, followed closely by Michael Newstead and Sam Standen.

"I took a team to Bourn Golf Club full of hopes of bringing the elusive scroll back with us as we were holding a 6-2 lead from the home match.

"Unfortunately, it was not to be as we were heavily defeated by a very strong Bourn side, so the scroll remains where it has been for many a year.

"On a positive note, the team did record victories against Gog Magog and Letchworth, to continue our trend of winning most of our home matches and losing most away.

"On the competition front, The Annual Stableford Trophy was claimed by Steve Collins with a creditable 38 points, one ahead of Jonathon Lean, with Alan Kirkham a further point back in third.

"A touch of sympathy goes to Jim Kerr, Kevin Donnelly, and Richard Cobb all of whom scored 36 points, got cut 0.3, and missed the leaderboard on countback.

"I am pleased to report that the Seniors team (pictured below) of Brian Bullen, Peter Jarman and Steve Collins, who took the place of Nick Seeley due to jury service, have retained the Dunstable Downs Golf Club, 'Downsmen Inter-Club Trophy'. We won by two from Berkhamstead with a score of 109 points.

"Looking forward, we now have two matches where my vice-captain Bill Walker stands in for me whilst I explore some of the rural areas of Sweden and Finland.

"I wish him well and hope to return refreshed to take over for what appears to be a very busy September."

# Rain? What rain? A day I'll never forget, thank you

LADIES Captain Dawn French said: "Wow, wow, wow! Thank you so much Anita and everyone on committee for the most amazingly fantastic Captain's Day. It is a day that will live long in my memories and hopefully all of yours too.

"My buggy was superb. I really did feel like a queen for the day in my little palace! And totally spoiled with all my gifts and cards with such lovely words

"Everything was just brilliant. The flowers and table decorations, the tee shirts and even the weather couldn't really put a dampener on things - in fact I think it helped as we were all in the Clubhouse together rather than spread out over several areas and the atmosphere was great.

"I've had so much positive feedback from many people on what a brilliant day it was with Wendy and Michael praising us all highly. I hope you all enjoyed the brunch and the on-course snacks and the pens as a little momento of the day, along with the hog roast and Stacey.

"I thought the shotgun start worked well, my only disappointment was that we struggled to get around all the ladies with drinks before they were nearly finished – maybe we should've ignored the 60 men playing on the Carthagea?!! Seriously, it was great to see so many taking part.

"A sample of photos are on the centre pages, but more can be viewed at [wildimagephotography.net](http://wildimagephotography.net).

"League matches unfortunately haven't been quite so much fun, as we lost two close away matches to both Bedford and County and The Bedfordshire.

"However, in the Scratch League, we have now won four out of four following 2-1 wins against Bedford and County and Aylesbury Vale. My thanks go to everyone who has represented John O'Gaunt Ladies in these.

"The Swinden Cup was won by Sue Lee and Marion Cooper, with 44 ladies enjoying burger and chips and a great raffle for Junior funds.

"Carolyn Devaney and her guest Kim Bradfield had a super score of 42 points in the first of our invitation days when 34 pairs battled it out and 23 clubs were represented. It was great to see some familiar faces and also plenty of new ones too.

"In extreme temperatures, the Grannies Trophy was 'hotly' contested and Anne-Marie Evelyn coping the best, winning with a scorching 38 points. On the same day, Cath Cowcill beat the course by two holes in the Par Competition. What a great gesture from the club as Michael organised extra water on the fifth tee to make sure the ladies stayed hydrated until they could top up on the 11th hole.

"Anne-Marie had definitely found her form when she went on to score 39 points in the monthly stableford at the start of August, Anita Isaacson won Division 2 with 37 points and Sue Gilbert took Division 3. Jane Hector won the Saturday comp... and then it was the Ladies Club Championships (report on next page).

"Before I know it, my Finale will be happening on Saturday October 19th and my year will nearly be through, what a whirlwind of a year this is!"

## Defending champions find their best form again

REIGNING champion Laura Collin clinched the John O'Gaunt Ladies Club Championship for the sixth time as she held off a strong challenge from young pretender Caitlin Thomas over the two courses.

A superb eagle two on Carthagena's ninth hole was the highlight for Collin in an opening score of 73 as she led by three shots at the half way stage in wet and windy conditions.

The one-handicapper maintained her scoring touch in the afternoon round as she posted five birdies to take the plaudits by a couple of strokes with a 36-hole total of 148.

On a good day for defending champions, Thomas retained both the Handicap Trophy with a net 143 and the Junior Club title.

The winner of the Davies Trophy was Val Cooper, while Caroline Lewis lifted the Silver Goblet with a very steady round of net 70.

Ladies Club Captain Dawn French, who handed over the trophy to Collin (pictured left) said: "There was some superb golf played throughout the day.

"I played alongside Laura and Caitlin, who traded birdies all day long! Congratulations to everyone who took part."

# Youngsters continue to display their talents

JUNIOR Organiser Sue Lee said: "We held our Junior Open on July 29th and had 18 entrants with 11 clubs represented.

"The winner for the boys was Aiden Abbott from The Millbrook Golf Club and the girls winner from Bourn Golf Club was Olivia Wynne. Our Lawrence Jeffreys won the Under 15 Trophy.

"Joe Clark, James Stocks and Bradley Williams entered the Club Championship with all of them having very credible scores. Junior Captain Joe won the Junior Championship trophy.

"In the Cleaver Medal on August 7th playing on the John O'Gaunt, Bradley Williams won with a brilliant net 68, as he finished five ahead of the field.

"The Tharby Shield was played a few days earlier with 10 ladies pairing up with the juniors. There were some good pairs drawn in the greensomes stableford with the top three points scores in the 40's.

"But out in front with 43 points was Hazel House and Daniel Haugh (pictured below). In second place with 42 points was our ladies and junior vice captains Anita Isaacson and Caitlin Thomas.

"In the County Junior championships held at Bedford and County GC, Lawrence Jeffreys was runner-up in the Under-16's, while Nathan Church finished runner-up in the Under-12's.

"For the girls, Caitlin Thomas was third in the gross with Jess Sporle sixth. Jess was second in the net championship missing out on the title by just one shot.

"Caitlin and Jess were joined in our Ladies Championship by new junior member Holly Gordon. Caitlin retained her 36-hole net title, and the junior championship. She was also runner-up to Laura Collin in the gross championship.

"Caitlin and Jess were called up to represent Bedfordshire in 2019 Junior County Week. Well done to both."

# Two courses and a clubhouse to be proud of

COURSE and Golf Committee Chair Pauline Aubigne said: "I can't believe August is here already (and almost over!) - fortunately our courses have not suffered in the same way they did last year.

"Having said that, we have had some extreme conditions with scorching heat to torrential rain presenting our Course Manager, Nigel and his team with some challenges over the months.

"One member of the Course team that I would like to mention is Dave (Smith) who takes great care of the flowers around the clubhouse.

"Many times, members and visitors have said how amazing the flower beds and hanging baskets look. That's all down to Dave and his talent for getting everything to look really great.

"As I reported earlier in the year, we are still looking at the possibility of constructing a reservoir but this project will take some time to come to a conclusion whichever way it goes!

"Support for competitions has been good but we would like to see more members signing up for club matches - these are open to players at all levels.

"Sign-up sheets can be found in the stud bar and on the notice board in the downstairs foyer.

"Earlier this year we had great concerns about the seventh green on John O'Gaunt and since that time, it has improved considerably.

"It's therefore disappointing to report that a few weeks ago someone took a good size 'divot' out of the green! It was, of course, repaired very quickly.

"Enjoy the rest of the summer."

# Star of the Year is the Male Purple Emperor

CONSERVATION Greenkeeper of the Year Steve Thompson said: "The past month has most definitely belonged to Insects with Dragonflies in particular loving the recent hot weather. But undoubtedly the star of the year goes to a Butterfly, a stunning Male Purple Emperor (pictured right).

"It was seen late in the afternoon on July 17th by the seventh green on John O'Gaunt Course, whilst I had been checking, with a friend, one of the boxes with Stock Doves in.

"The Purple Emperor, which is easily identifiable with the stunning purple colour on the wings giving it its name, is a new Butterfly for me and the club and makes it 25 species recorded here.

"It's not a Butterfly I expected to see here but they do seem to be spreading and have been seen locally at the RSPB and nearby Potton Wood.

"It usually feeds high in the treetops on Aphid honeydew and tree sap although they do come to ground to feed on animal dung and carrion for salts and minerals. Quite what was appealing about the irrigation cover behind the green, but it seemed to like it.

"The new pond has yet again proved an absolute haven for Dragonflies and another new species for the club and me, Small red-eyed Damselfly was seen on July 22nd, not just one but several and over the coming weeks several copulating pairs were seen too.

"The 22nd was probably the best day with copulating pairs of Black Tailed Skimmer and Emperor, a female Emperor laying eggs and Large Red Damselfly, Banded Demoiselle, Four Spotted Chaser, Ruddy Darter and Blue Tailed Damselfly along the brook.

"Also, Brown Hawkets and Migrant Hawkets have been seen elsewhere on the course recently.

"We now have sixteen species of Dragonfly recorded at the golf club with two added in 2019 and two added in 2018. The Small Red Damselfly continued to be seen into mid-August on the pond.

"Besides the Purple Emperor there have been lots of other Butterflies around, particularly numerous have been Meadow Brown, Large and Small White too.

"The first Gatekeeper was seen on Carthagena near seventh green on July 16th, Marbled Whites have been seen on both sides, Small Skipper, Ringlet, Speckled Wood, Red Admiral, Peacock and a member spotted a Purple Hairstreak on Carthagena.

"I had a Moth Night on Carthagena on August 8th, we managed to see 76 species including the rare White Spotted Pinion (pictured left) which is an Elm feeder and not found in that many places in the UK but whilst we were looking at Moths, we also heard an Oystercatcher flying over.

"Other birds seen recently include the Kestrel, Buzzard, Grey Heron, Green Woodpecker, Swallows (on August 12th), Kingfisher and Chiffchaff. You need to continue to look out for all of these, plus Moorhens, Red Kite and any Butterflies or Dragonflies.

"The two Bat Walks on August 21st and September 4th will be reported on in the next newsletter. Also Badger watches will resume at the end of August and continue into October. Please check noticeboard by changing rooms and club emails for details."
